

0:0:4.320 --> 0:0:4.800

Yes.

0:0:5.870 --> 0:0:9.870

Using that with the software right there, so we sell.

0:0:9.940 --> 0:0:10.660

It's record.

0:0:12.550 --> 0:0:13.710

Ed, I'm gonna turn the camera off.

0:0:13.750 --> 0:0:16.990

I took it, but we wanted to stay on it. Yep.

0:0:18.430 --> 0:0:19.390

You get some information.

0:0:20.430 --> 0:0:26.430

So lastly, we're reporting Survivor now. Since then it's transferred.

0:0:20.910 --> 0:0:21.670

It's recording.

0:0:26.830 --> 0:0:34.430

Yeah. So if you want to take the cameras down, you just use the mouse and then drag it over like it's on that monitor you can minimize.

0:0:30.630 --> 0:0:30.750

Yes.

0:0:35.150 --> 0:0:35.950

Or just leave it up.

0:0:38.480 --> 0:0:38.640

OK.

0:0:39.110 --> 0:0:45.30

Otherwise, in publishing down when you're done and then we'll put on a second.

0:0:47.480 --> 0:0:47.640

Yeah.

0:0:48.390 --> 0:0:48.710

We'll put shake.

0:0:48.900 --> 0:0:51.500

There he goes. Awesome. Thanks Don.

0:0:51.620 --> 0:0:52.580

Yep, all right.

0:0:52.580 --> 0:0:53.900

I'll talk to you guys soon. See ya.

0:0:54.60 --> 0:0:54.500

Oh yeah.

0:1:0.230 --> 0:1:5.510

Nancy Renner here. Gary Martin, Tom whirling here and James mute.

0:1:14.510 --> 0:1:18.710

Does everybody have a chance to look at our June minutes?

0:1:20.350 --> 0:1:20.990

There's a date on it.

0:1:20.990 --> 0:1:27.710

There are three sets of minutes, June 2nd minutes, June. Let's just start with.

0:1:22.600 --> 0:1:23.80

Get the.

0:1:28.900 --> 0:1:31.300

June 2nd minutes.

0:1:31.340 --> 0:1:37.180

These are, oh, there's two sets. So we do have the we have the budget 1st and we have regular minutes.

0:1:38.460 --> 0:1:39.300

And then.

0:1:40.790 --> 0:1:47.430

So we'll do June 2nd for if we've got 2 sets of minutes, one for budget, one for a regular meeting. We have any changes?

0:1:49.70 --> 0:1:52.190
Petitions, or do we have motion to approve and present?
0:1:54.680 --> 0:1:58.520
2nd we got a first from Thomas, second from Nancy. All those in favor say aye.
0:2:0.230 --> 0:2:2.550
And then we have our June 23rd.
0:2:4.740 --> 0:2:12.980
Minutes that we discussed budgeting door again, we have any changes or do we have a motion to approve.
0:2:15.150 --> 0:2:16.390
Yes, first and a second.
0:2:16.390 --> 0:2:18.870
All those in favor say aye. Aye, those.
0:2:22.10 --> 0:2:22.170
OK.
0:2:28.750 --> 0:2:29.510
In Europe.
0:2:31.670 --> 0:2:32.630
1st, that is the expense report.
0:2:35.950 --> 0:2:36.110
OK.
0:2:36.0 --> 0:2:39.960
Crazy. That's all the money that has come out.
0:2:52.20 --> 0:3:2.580
Paid our Fire Protection this month. That's not what I'm trying to think. We put it at the bottom. Yes. So we,
well, that was just the fire for correct? Yeah.
0:3:4.110 --> 0:3:18.430
So the one thing we did do with the fire department was we took our fire truck money and put it into, we put
it in a bond or CDCD for a year and we'll next year when we get, we'll pull it out when we get.
0:3:18.750 --> 0:3:19.710
Put the next payment.
0:3:20.590 --> 0:3:20.910
Towards it, we'll.
0:3:21.460 --> 0:3:22.460
Did the same thing.
0:3:24.110 --> 0:3:29.190
Any questions regarding expenses or do we have a motion to approve as presented?
0:3:29.500 --> 0:3:30.260
What's the route?
0:3:30.680 --> 0:3:35.520
At first, from Tom to that second, all those in favor say aye. Aye, opposed.
0:3:37.70 --> 0:3:41.310
Next up is the fund report for each of our funds are sitting at.
0:3:39.600 --> 0:3:39.760
For.
0:3:51.770 --> 0:3:52.930
Any red flags?
0:3:53.90 --> 0:3:55.90
Anything you want that. I mean it looks OK but.
0:3:59.570 --> 0:4:2.730
Any questions? We have a motion to approve as presented.
0:4:4.590 --> 0:4:9.550
And 1st we have second, second and second. All those in favor say aye. Aye, those.
0:4:11.970 --> 0:4:13.170
Opening report is open.
0:4:14.700 --> 0:4:15.700
That's been brought in.
0:4:17.230 --> 0:4:17.510
Today.

0:4:22.110 --> 0:4:23.230
We have that.
0:4:25.390 --> 0:4:31.230
We do have our first fit tax settlement that we get from the couch back. Amen. That is in.
0:4:32.350 --> 0:4:36.30
Israel it is. Yeah. I was gonna say line four. I was like, oh, look at that.
0:4:36.30 --> 0:4:36.790
What? What was that?
0:4:38.430 --> 0:4:41.390
Now, will we get a second one this summer in December?
0:4:41.390 --> 0:4:43.990
Just making sure that they didn't do it once a year.
0:4:45.790 --> 0:4:45.950
OK.
0:4:51.780 --> 0:4:54.20
What was the mvh?
0:4:55.590 --> 0:4:55.990
Award.
0:4:57.910 --> 0:4:58.830
For them, also twice a year.
0:5:0.60 --> 0:5:0.300
OK.
0:5:0.670 --> 0:5:0.710
OK.
0:5:2.820 --> 0:5:5.900
General Loewen and.
0:5:6.300 --> 0:5:6.540
A ditch?
0:5:6.750 --> 0:5:7.350
I guess I.
0:5:7.910 --> 0:5:10.310
Knew Lowett and general that I didn't realize in the.
0:5:13.100 --> 0:5:14.780
Any questions regarding revenue?
0:5:15.220 --> 0:5:17.20
If not, we have a motion to approve.
0:5:19.930 --> 0:5:20.890
1st we have.
0:5:22.310 --> 0:5:22.750
To say aye, aye.
0:5:24.300 --> 0:5:24.660
Those.
0:5:27.200 --> 0:5:28.80
Next list.
0:5:31.110 --> 0:5:39.790
We've actually seen people like there, a couple higher ones having people that have been there. First film that consists of their deposit.
0:5:45.710 --> 0:5:47.350
I think that you've talked to halox.
0:5:49.780 --> 0:5:50.60
John.
0:5:52.900 --> 0:5:55.500
OK, just was a pretty big bill.
0:5:55.900 --> 0:5:58.420
A portion of that is because they have yet to pay.
0:6:0.30 --> 0:6:0.950
Their sprinkler fee.

0:6:1.630 --> 0:6:5.70
So we've applied it under their water bill to get their attention. Gotcha. Nope.
0:6:5.240 --> 0:6:7.830
No wonder because I've never seen a water bill quite that high.
0:6:8.340 --> 0:6:9.140
For one month.
0:6:9.620 --> 0:6:14.180
So we've sent it to him twice and so we add it to the water bill to get their attention, OK.
0:6:19.480 --> 0:6:22.320
Any questions or do we have a motion to approve as presented?
0:6:23.660 --> 0:6:25.380
I make a motion to approve.
0:6:27.190 --> 0:6:30.150
The first and second, all those in favor say aye. Aye, opposed.
0:6:33.60 --> 0:6:34.140
Question for you then.
0:6:34.140 --> 0:6:37.900
Yes, in the state telling us what order we do these in, it does not matter what.
0:6:37.940 --> 0:6:38.980
I'm just curious though.
0:6:38.980 --> 0:6:41.580
I I they're doing a lot of other things.
0:6:41.580 --> 0:6:41.860
I wasn't sure if.
0:6:44.220 --> 0:6:46.140
And then your deposit list.
0:6:48.220 --> 0:6:48.860
By the money.
0:6:51.70 --> 0:6:51.190
Yep.
0:6:51.80 --> 0:6:51.440
Yeah.
0:6:54.190 --> 0:6:54.470
OK.
0:6:54.470 --> 0:6:55.110
Any questions?
0:6:55.110 --> 0:6:57.630
Or we have nothing to approve the public list.
0:6:59.140 --> 0:6:59.740
A second.
0:7:2.130 --> 0:7:3.290
That's all for say, aye aye.
0:7:7.930 --> 0:7:11.90
Register report is all the checks I wrote about last time.
0:7:15.220 --> 0:7:17.860
Gearing company as the tractor.
0:7:20.370 --> 0:7:21.130
Oh yeah, John Deere.
0:7:21.210 --> 0:7:28.690
Yeah. And then about one 12180, that is for our portion of the truck into that CD.
0:7:31.150 --> 0:7:32.110
What was the percentage?
0:7:32.110 --> 0:7:34.710
On that four, 4% that good.
0:7:36.230 --> 0:7:39.630
11 or 12 months. That's what I thought.

0:7:39.630 --> 0:7:44.70

Do we have a motion to approve any changes on the check register report or do we have a motion to approve as presented?

0:7:46.20 --> 0:7:51.100

The first second, all those in favor say aye. Aye, those.

0:7:53.470 --> 0:7:55.670

And then two other things for my clerk reports.

0:7:57.310 --> 0:8:12.790

Just to bring up for next year are I would like to add to our budget capital assets, the one that we have in auditor kind of redid, but it needs to be completely redone and I've got some quotes up to about \$5000 and it's a state.

0:8:12.790 --> 0:8:17.70

Word of account group person that would come in and we would we would redo it completely.

0:8:18.140 --> 0:8:19.900

I'd like to add that to next year's budget.

0:8:21.910 --> 0:8:23.30

So that's today's price.

0:8:23.30 --> 0:8:27.390

So we're gonna put it on this year's budget or you wanna put it on next year. Next year's budget? Yep.

0:8:29.150 --> 0:8:33.110

So we probably need to go more than 5 because it'll be more than that next year probably.

0:8:31.700 --> 0:8:31.980

Year.

0:8:33.120 --> 0:8:33.600

Probably but.

0:8:33.180 --> 0:8:33.660

By the way.

0:8:33.990 --> 0:8:34.70

So.

0:8:34.430 --> 0:8:35.590

But yeah, good idea.

0:8:34.760 --> 0:8:36.40

Yeah, good idea.

0:8:35.930 --> 0:8:44.650

And then the other thing I wanted to bring up is previously we talked about having town line cleanup be curbside pickup. Our contract is up in 2027.

0:8:44.650 --> 0:8:46.130

I'm just throwing that back out there.

0:8:44.660 --> 0:8:46.140

I'm just throwing that back out there.

0:8:46.140 --> 0:8:47.180

I talked.

0:8:47.180 --> 0:8:50.180

We have a new Rep from public services and.

0:8:50.990 --> 0:8:53.950

It'll be about \$12,000, like as of today.

0:8:55.590 --> 0:9:5.710

To add that onto our contract in the future and that's about what we're spending now for dumpsters and the overtime for our employees for those two days and it would limit it to in town people.

0:9:6.740 --> 0:9:7.220

OK.

0:9:8.20 --> 0:9:15.460

Well, lemme can all that and and it would. The cost difference would be divided out to our people that already have trash.

0:9:9.290 --> 0:9:9.690

OK.

0:9:15.700 --> 0:9:17.500

It would just increase their bill a little bit.

0:9:17.980 --> 0:9:19.700
OK. Pennies. Yeah. OK.
0:9:21.230 --> 0:9:23.590
How many pennies? Well, no, I mean.
0:9:25.510 --> 0:9:27.510
You're 12,000 would prefer.
0:9:29.510 --> 0:9:30.390
1100 people.
0:9:32.190 --> 0:9:32.910
So \$0.50.
0:9:34.710 --> 0:9:35.350
That's already going up.
0:9:35.540 --> 0:9:37.500
2 or 3% each year anyway.
0:9:37.500 --> 0:9:38.700
Yeah. So, I mean, it's not.
0:9:38.700 --> 0:9:41.220
We're not gonna tack on \$25.00 bills, right?
0:9:41.380 --> 0:9:48.260
That's what I was getting at and when I said pennies, I didn't mean \$0.05. But you know, in the grand, in the big picture.
0:9:50.110 --> 0:9:50.510
Ek.
0:9:51.150 --> 0:9:52.790
Definitely something to discuss.
0:9:54.470 --> 0:9:55.670
Going forward, I just.
0:9:57.910 --> 0:9:59.110
I'll and it will.
0:9:59.940 --> 0:10:7.700
It'll be for next year's budget, and they can rewrite it in our contract next for next year if we wanted to, to where it could be attributed to the.
0:10:8.930 --> 0:10:11.490
What did Mark think of that idea?
0:10:11.490 --> 0:10:13.50
I have not had a chance to talk to him.
0:10:13.50 --> 0:10:15.370
I just got these prices back, OK, so.
0:10:16.790 --> 0:10:21.190
I mean most I want to say a lot of communities do that anyway, so.
0:10:22.110 --> 0:10:22.230
Umm.
0:10:22.910 --> 0:10:24.750
That's definitely something to consider, yes.
0:10:24.790 --> 0:10:25.190
Thank you.
0:10:25.230 --> 0:10:31.950
No, I was just wondering, are you thinking that because there's still so many people that that take stuff there that shouldn't be here?
0:10:31.990 --> 0:10:37.70
And it's not just that. So last year we had to have 9 dumpsters. This year we only had to have 6.
0:10:37.70 --> 0:10:38.190
But we had to pay for 8:00 because.
0:10:38.540 --> 0:10:45.820
That's what this just allows us to everybody push it out to the curb, make it more convenient for everybody and it's easier.
0:10:45.860 --> 0:10:49.340
And then do they build us based on how much they pick up just one flat?

0:10:51.50 --> 0:10:51.370
OK.
0:10:51.370 --> 0:10:58.570
So yes, I felt like it was quickly mentioned that you're eliminating a huge portion of the town with the availability.
0:10:58.570 --> 0:10:59.330
Of doing it.
0:11:0.570 --> 0:11:3.730
So that they would eliminate cold springs and Ball Lake because we don't.
0:11:4.470 --> 0:11:5.350
Do anything with that.
0:11:5.780 --> 0:11:8.340
So those people would have no options.
0:11:10.300 --> 0:11:13.140
Long Lake has had the opportunity to join cloud.
0:11:14.660 --> 0:11:23.620
4/1 times and I've chosen not to be an extent of the town, but they want all the services that the town provides of being part of.
0:11:23.620 --> 0:11:25.540
The town and who votes on that? Just.
0:11:25.540 --> 0:11:26.260
Out of care.
0:11:25.860 --> 0:11:28.740
The association they decide.
0:11:27.910 --> 0:11:28.510
Thank you.
0:11:28.740 --> 0:11:32.20
Yeah, they're they have two associations out there.
0:11:32.20 --> 0:11:33.460
I believe I've been to the meetings.
0:11:33.740 --> 0:11:35.980
I didn't know if they had it yet.
0:11:37.510 --> 0:11:37.670
OK.
0:11:39.210 --> 0:11:41.450
That I would be glad to come to.
0:11:43.110 --> 0:11:44.270
You and explain to him.
0:11:45.830 --> 0:11:51.390
Because they've been told that their tax rate would go up tremendously if they were in town, not.
0:11:51.870 --> 0:11:52.790
In the way that.
0:11:52.870 --> 0:11:55.990
Because they are presently, I've showed them two or three times.
0:11:57.670 --> 0:12:7.310
On Beacon, a house that assessed value of 250,000 here in assessed value 250,000 out there, there were \$75 difference between.
0:12:9.740 --> 0:12:10.60
Thanks.
0:12:11.300 --> 0:12:18.500
And just because we had a brief conversation, we'll discuss it thoroughly before next year when it's brought up to us.
0:12:18.500 --> 0:12:21.700
So I mean it's it's just something for consideration.
0:12:23.150 --> 0:12:24.430
We don't make decisions that easily.
0:12:26.270 --> 0:12:27.830
Or or just like that.

0:12:26.590 --> 0:12:27.30
Yes.
0:12:28.910 --> 0:12:31.950
But yeah, so we'll that's definitely something worth considering.
0:12:33.870 --> 0:12:33.990
But.
0:12:35.950 --> 0:12:36.430
We'll do it.
0:12:36.510 --> 0:12:38.470
Talk to Mark and see what you know.
0:12:39.480 --> 0:12:47.160
I don't know how many volunteers they get out there to help with that as well. If they're still doing that where the Lions clubs or the Legion guys would go out there.
0:12:48.20 --> 0:12:50.420
Three, on the first day they have 3 helpers.
0:12:50.260 --> 0:12:50.540
OK.
0:12:51.180 --> 0:12:52.180
Yeah. OK.
0:12:53.870 --> 0:12:54.310
All right.
0:12:56.110 --> 0:12:56.790
That's all I know.
0:13:0.330 --> 0:13:8.970
Sure. We had an opportunity to work with the updates. A couple of things. Dora did come through. Everybody saying she was able to get it up and running for the weekend.
0:13:10.350 --> 0:13:13.470
Think we only had one participant start out this this weekend.
0:13:14.130 --> 0:13:16.490
We should have a little more participation.
0:13:16.490 --> 0:13:18.450
Hopefully we're going ahead too.
0:13:19.410 --> 0:13:22.530
Will, Will and Lakers positions.
0:13:23.490 --> 0:13:25.130
Well, did not have to.
0:13:25.210 --> 0:13:25.810
He's a dealer.
0:13:27.310 --> 0:13:27.390
He.
0:13:27.390 --> 0:13:28.630
We had long conversation.
0:13:28.630 --> 0:13:30.750
He had long conversation with ATC and.
0:13:32.260 --> 0:13:32.580
Thank you.
0:13:32.590 --> 0:13:33.470
So yeah, no, the only thing.
0:13:33.470 --> 0:13:33.910
He asked.
0:13:33.910 --> 0:13:34.790
He can't sell it.
0:13:34.990 --> 0:13:36.230
He can sell it in the store.
0:13:36.230 --> 0:13:42.110
They can't pour it in the store. They got to pour it out. So I've got to walk out on the sidewalk. Pardon the cup. Good to go.

0:13:46.550 --> 0:13:50.710
So yeah, so everybody knows it's outdoor refreshment area, there's.
0:13:48.210 --> 0:13:48.850
If needed.
0:13:52.710 --> 0:13:53.670
There's a map, there's been.
0:13:54.300 --> 0:13:59.380
Posted or you can do this and where you can't only think we don't have an air.
0:14:1.110 --> 0:14:6.190
Line. You're outside of that, other than the fine that we have for normal ordinance fines, which is \$100, we're.
0:14:6.510 --> 0:14:7.750
Going to talk about that later.
0:14:11.420 --> 0:14:12.180
Yes, we will.
0:14:12.460 --> 0:14:14.860
I have several questions from Jeremy.
0:14:17.320 --> 0:14:17.400
Uh.
0:14:20.100 --> 0:14:21.60
Water department.
0:14:22.550 --> 0:14:25.190
Would like to sell the 2010 Ram 1500.
0:14:26.990 --> 0:14:27.270
In lease.
0:14:29.310 --> 0:14:39.350
A new TV the utilize more for getting around town and be able to get to the high rinse and clean around them
in that big situation without having big trucks sitting along the side of the road.
0:14:39.670 --> 0:14:44.390
So we would like to put that out for bid sometime in the last week.
0:14:45.470 --> 0:14:47.390
To July so we can open the bids.
0:14:49.790 --> 0:14:49.950
OK.
0:14:50.660 --> 0:14:52.500
It's 2010, 1500.
0:14:54.20 --> 0:15:3.460
It has a sale value of anywhere from 9 to 12,000, not including the snow pile, so we can put a reserve on it at
that time.
0:15:4.950 --> 0:15:5.430
And I'll be.
0:15:5.430 --> 0:15:9.430
Glad to work with the Council on what they want to do with that at that time. Get a hold of each one.
0:15:14.480 --> 0:15:16.640
OK, water ducts in the water department there.
0:15:16.720 --> 0:15:18.440
Everything's going really well there.
0:15:19.910 --> 0:15:22.430
Working together well, we do have Carson.
0:15:24.550 --> 0:15:26.470
Maybe offer a couple days from bereavement in the next couple.
0:15:30.390 --> 0:15:31.430
Marshall's department.
0:15:31.850 --> 0:15:32.290
Here.
0:15:33.30 --> 0:15:36.350
On Bellefontaine Rd. from.
0:15:38.230 --> 0:15:38.750
The right waves.

0:15:40.80 --> 0:15:51.880

From the laundromat all the way down to 210, we want to put no parking signs on the east side or actually be on the north side of the road. That was brought up months ago.

0:15:51.880 --> 0:15:53.520

We never made a decision to.

0:15:54.870 --> 0:16:5.910

Because it has to be done under ordinance, that time it has to be added to or what's it called? St. and parking ordinance not mistaken. And I'll have to have.

0:16:7.790 --> 0:16:8.990

That drawn up by Derek.

0:16:9.940 --> 0:16:11.940

That time I would need a motion to do that.

0:16:11.940 --> 0:16:14.540

Has the Marshals Department looked at?

0:16:14.580 --> 0:16:15.780

I mean have.

0:16:15.750 --> 0:16:16.150

And they go.

0:16:16.60 --> 0:16:18.140

Gone out and checked and watched and.

0:16:18.470 --> 0:16:19.750

Jeremy asked for it.

0:16:20.190 --> 0:16:20.710

OK.

0:16:22.30 --> 0:16:24.350

He said he said some around six to nine months ago.

0:16:24.990 --> 0:16:30.270

We did talk about it 'cause, but that was, I thought we had a complaint from a neighbor.

0:16:30.210 --> 0:16:32.810

We've had complaints from a couple neighbors down through there.

0:16:34.470 --> 0:16:38.390

Driveways, when they go to pull out, especially the second driveway in pass panels St.

0:16:39.990 --> 0:16:40.150

When?

0:16:40.150 --> 0:16:49.350

They go to back up the people that live right on the corner always have a tendency to park in space, in between the road and the side.

0:16:50.350 --> 0:16:52.830

Which technically is not a parking area.

0:16:54.340 --> 0:16:55.60

People to use it.

0:16:55.60 --> 0:16:55.580

For that.

0:16:56.830 --> 0:16:59.750

And you should have so much space between a stop sign.

0:17:1.380 --> 0:17:4.540

Review from your right to left, and I think it's 120 feet.

0:17:6.300 --> 0:17:7.140

Speaking.

0:17:7.580 --> 0:17:10.620

No, but that's not gonna work, because look at our downtown area.

0:17:12.920 --> 0:17:13.760

Feasible.

0:17:13.880 --> 0:17:14.840

Oh, if OK.

0:17:14.920 --> 0:17:17.880

OK, if there is capability of doing that, that's how they.

0:17:17.880 --> 0:17:18.720
Look at that, OK.
0:17:22.200 --> 0:17:25.80
The table for tonight or we can make some lunch.
0:17:27.470 --> 0:17:30.790
Yes, or two or three times that we're looking.
0:17:32.740 --> 0:17:35.460
We already put one up on.
0:17:37.350 --> 0:17:39.510
The east side of Peninsula St.
0:17:41.390 --> 0:17:44.30
While back towards about two years ago, two or three years ago.
0:17:44.900 --> 0:17:47.260
And is that being adhered to, OK.
0:17:49.430 --> 0:17:51.230
If you want to get a proposed amendment.
0:17:49.700 --> 0:17:50.700
If you want to hear it.
0:17:53.390 --> 0:18:7.310
To that ordinance, just let me know exactly what the language is and for where, and then I can get it in a draft and get it to the Council for review. That we'll have to discuss the contents of the amendment.
0:18:8.190 --> 0:18:9.110
I want to change it.
0:18:9.990 --> 0:18:10.670
Up for everyone.
0:18:11.180 --> 0:18:12.300
What did we do?
0:18:13.830 --> 0:18:17.30
To put the other sign up, did we make a change to the?
0:18:16.690 --> 0:18:22.370
Yeah, this has a no parking sign in our ordinance already. OK, that was done.
0:18:23.790 --> 0:18:24.990
Probably I think 3 years ago.
0:18:25.310 --> 0:18:26.630
It's probably been longer now.
0:18:28.190 --> 0:18:29.470
I mean both sides of that fence.
0:18:29.470 --> 0:18:30.750
At that time it wasn't an issue.
0:18:31.310 --> 0:18:31.590
OK.
0:18:32.70 --> 0:18:33.390
Yeah, I know, but still.
0:18:33.600 --> 0:18:38.960
Remember, that's where the lady put their parking spot right in front of their house, running parallel with their house.
0:18:39.160 --> 0:18:39.920
Yeah, that's right.
0:18:40.0 --> 0:18:42.640
I do remember that. Yeah. OK.
0:18:45.190 --> 0:18:48.190
Do you want a motion from the Council to step?
0:18:47.520 --> 0:18:48.40
Resulting.
0:18:49.400 --> 0:18:51.720
That's something we want to do with the three of us.
0:18:51.720 --> 0:18:53.640
Or do we want to wait till we have all 5 back?

0:18:56.260 --> 0:19:10.60

Right. I think maybe a motion today could just be to go ahead and motion for that. But just you know to go ahead and prepare the draft or draft an amended ordinance because you're not really voting.

0:19:1.120 --> 0:19:1.880

You don't even need it.

0:19:8.0 --> 0:19:9.40

Yeah, let's, let's.

0:19:11.110 --> 0:19:14.230

You need to have the the amended ordinance in front of you to vote on it.

0:19:14.230 --> 0:19:18.510

Exactly, but I just didn't know if we needed to make a motion to have them even started.

0:19:19.110 --> 0:19:20.310

So we don't need that.

0:19:20.310 --> 0:19:23.230

Then go ahead if we don't need a motion, then let's go ahead and.

0:19:24.770 --> 0:19:28.690

Start the paperwork and then we can look at it in August.

0:19:30.910 --> 0:19:31.750

And I would.

0:19:34.210 --> 0:19:35.330

If it's something.

0:19:35.420 --> 0:19:42.820

Going to want us to vote on, I would probably have notified the homeowners that it's going to affect on both sides of the street.

0:19:44.310 --> 0:19:44.510

Possibly.

0:19:45.610 --> 0:19:48.170

It's only on the lower side of the street.

0:19:48.450 --> 0:19:49.50

No, I know.

0:19:49.50 --> 0:19:52.450

But is there anybody on the South side of the street across from them?

0:19:52.450 --> 0:19:53.50

I'm trying to.

0:19:53.50 --> 0:19:57.650

I don't know that there's anybody there 'cause, that's just business.

0:19:57.730 --> 0:20:0.490

So that's how that won't affect that.

0:20:0.530 --> 0:20:2.650

I didn't know if somebody else had a driveway that.

0:20:4.280 --> 0:20:8.880

No, those are spread out further apart. So there's as much of an issue as it is.

0:20:9.80 --> 0:20:10.120

Yeah. So.

0:20:10.640 --> 0:20:12.880

Plus most of larger driveways on that side.

0:20:13.750 --> 0:20:15.950

Yeah. OK. As I said, it's in the Old Town.

0:20:18.40 --> 0:20:21.240

They converted the old ballpark and the other area down through there.

0:20:23.160 --> 0:20:23.480

Yeah. OK.

0:20:25.120 --> 0:20:28.40

We'll probably want to notify the homeowners. There's.

0:20:27.770 --> 0:20:28.170

What I'll do.

0:20:28.480 --> 0:20:31.880

Get an aerial put together and I'll send it up to you where we're looking at.

0:20:31.880 --> 0:20:35.240
Why? That way you'll have that also before we have.
0:20:37.760 --> 0:20:38.0
OK.
0:20:42.960 --> 0:20:43.200
OK.
0:20:56.570 --> 0:21:0.10
August first, OK.
0:21:4.760 --> 0:21:7.400
And go to Avimer, Bill explained.
0:21:5.200 --> 0:21:5.760
I have a question.
0:21:7.400 --> 0:21:9.200
You got to railroad St. project.
0:21:13.830 --> 0:21:18.390
But I'm sure you got a free day of the downtown party.
0:21:19.710 --> 0:21:20.870
You can use that money.
0:21:31.360 --> 0:21:31.520
OK.
0:21:37.20 --> 0:21:43.700
So for railroad St. We've prepared a port plan.
0:21:48.930 --> 0:21:53.290
What you have in front of you is what we believe is the worst case scenario.
0:21:55.230 --> 0:21:55.510
Because.
0:21:55.540 --> 0:22:10.220
Things that we do not know are the extent of the wetlands and how much we may affect those wetlands for the project. And the second part is what's going to going to be required for permitting.
0:22:10.880 --> 0:22:11.200
For the project.
0:22:13.0 --> 0:22:19.600
We're hoping is that it's going to be very plain and simple and that we won't have to do.
0:22:21.360 --> 0:22:21.400
A.
0:22:22.790 --> 0:22:23.710
Sweet study of.
0:22:23.710 --> 0:22:28.30
The upstream drainage area and do hydraulic modeling.
0:22:33.230 --> 0:22:41.590
Our conversations with the regulatory folks at this point lead us to believe that that will not be required.
0:22:44.520 --> 0:22:49.0
We can't anticipate that and so we didn't put any.
0:22:51.100 --> 0:22:51.540
Proposals.
0:22:53.340 --> 0:23:0.220
And then the other thing that is not included in the proposal is the geotechnical work.
0:23:0.340 --> 0:23:3.900
And until we really have a little better understanding.
0:23:5.350 --> 0:23:5.430
Of.
0:23:7.30 --> 0:23:9.430
How far we're going to need to extend?
0:23:11.930 --> 0:23:12.850
Roadway work.
0:23:14.990 --> 0:23:23.710
We really don't have handle on how much how many sword warnings we're going to need, so that will be an additional cost to this.

0:23:25.230 --> 0:23:26.430
And we'll know that.
0:23:28.990 --> 0:23:34.590
We're probably sometime mid-september. We'll have an idea of what we need to do for.
0:23:36.390 --> 0:23:36.830
Sort of.
0:23:43.20 --> 0:23:44.620
If you approve the agreement.
0:23:48.960 --> 0:23:49.480
Certain.
0:23:55.830 --> 0:23:57.390
If you look at the schedule.
0:23:58.880 --> 0:23:59.520
Right, chip?
0:24:1.970 --> 0:24:2.970
I just stay down.
0:24:6.840 --> 0:24:8.400
Ready for permitting?
0:24:11.540 --> 0:24:12.860
In early January.
0:24:14.430 --> 0:24:20.110
We still don't know what the CCMG funding cycle is going to be.
0:24:21.950 --> 0:24:28.590
Remember, there's going to be 1 sometime in August, but we don't know when the next one will be after that, so.
0:24:30.350 --> 0:24:35.710
We're hoping to have the plans ready and be able to bid the project in April.
0:24:37.390 --> 0:24:39.870
If Ccmg funding is awarded for the project.
0:24:41.60 --> 0:24:42.20
I have a question.
0:24:42.140 --> 0:24:53.620
When you do, if everything's all done in order, can you start? Is there going to be a way to get to the fishing game?
0:24:53.410 --> 0:24:58.330
Hello, we're talking months.
0:24:53.620 --> 0:24:53.900
I mean are.
0:24:53.900 --> 0:24:55.580
You going to have it all closed off?
0:24:55.580 --> 0:24:57.420
That's one of the big questions.
0:24:58.0 --> 0:24:58.840
We have to answer.
0:25:0.750 --> 0:25:1.790
We're hoping.
0:25:3.590 --> 0:25:7.990
That we can do a temporary crossing while we're doing.
0:25:9.750 --> 0:25:9.870
The.
0:25:10.700 --> 0:25:11.980
Major work on the road.
0:25:14.990 --> 0:25:21.870
But at this point, until we get into the project and understand a little bit more about wetland impact.
0:25:23.630 --> 0:25:25.310
We don't have an answer to that.

0:25:25.550 --> 0:25:34.590

Maybe we have a good reason to request that we be given a temporary crossing and we've done that with some other projects.

0:25:36.430 --> 0:25:38.870

So hopefully we'll be able to accomplish that.

0:25:41.170 --> 0:25:44.210

Can be nice because our wells are on the side of the bridge as well.

0:25:44.10 --> 0:25:44.410

Yeah.

0:25:44.850 --> 0:25:45.650

We need to get there.

0:25:45.650 --> 0:25:46.530

We need to be.

0:25:47.350 --> 0:25:47.670

As a town.

0:25:47.670 --> 0:25:49.630

We need to be able to get over the bridge.

0:25:49.630 --> 0:25:51.590

There is a path through the woods.

0:25:51.990 --> 0:25:52.190

Yeah.

0:25:52.190 --> 0:25:55.30

Well, that's not gonna work for vehicles and.

0:25:58.470 --> 0:25:58.550

No.

0:25:59.840 --> 0:26:2.400

Yeah, that that would be a major part of the project.

0:26:3.800 --> 0:26:4.0

Crossing.

0:26:9.110 --> 0:26:9.510

That's good.

0:26:12.610 --> 0:26:13.10

OK.

0:26:13.290 --> 0:26:20.930

So any questions on this? I mean it's a project we talked about for several years now, so I'm glad that it's.

0:26:22.30 --> 0:26:25.990

Movies with the schedule and everything.

0:26:27.760 --> 0:26:28.760

Bill was correct in respect.

0:26:28.880 --> 0:26:36.320

To had an opportunity to talk about Adam and also the I'm core of engineers, I think it should be a simple three page application.

0:26:36.320 --> 0:26:37.320

With what we have.

0:26:38.970 --> 0:26:45.10

From what they told me, OK, just went ahead and here last week. So I think that will reduce the cost for quite a bit.

0:26:50.40 --> 0:26:53.320

If they've already been down and you've had conversations with them.

0:26:57.420 --> 0:26:58.420

I think the wetland.

0:26:59.960 --> 0:27:4.360

Issues the biggest feels like the biggest concern right now then.

0:27:9.220 --> 0:27:10.700

Nancy, any questions?

0:27:13.590 --> 0:27:22.590

Do we have a motion to accept the proposal for professional service with Avon March regarding railroad St. Michael?

0:27:23.500 --> 0:27:26.180

You've got a first from Tom, but we have a 2nd, I'll second.

0:27:28.890 --> 0:27:33.130

We've got a second from Nancy. All those in favor say aye. Aye, those.

0:27:35.480 --> 0:27:38.920

Are good to start and fingers crossed that they do.

0:27:38.920 --> 0:27:42.720

Ccmg in January and we can get that's what.

0:27:44.850 --> 0:27:50.570

Just a little more information on the farmers market parking lot.

0:27:52.310 --> 0:27:57.270

When we started looking at cost of receiving all.

0:27:56.480 --> 0:27:56.640

OK.

0:27:59.870 --> 0:28:4.990

We started looking at alternatives and by the by the time we really settled in on.

0:28:7.310 --> 0:28:10.70

Using the Ready Rock projects product.

0:28:11.790 --> 0:28:12.870

We just couldn't get.

0:28:13.740 --> 0:28:15.900

Enough information into the bid package.

0:28:17.630 --> 0:28:18.910

The contractors.

0:28:20.590 --> 0:28:36.70

Then we came up with the complication that most of the people that do the installation are non union contractors and the contractors that are going to bid on the parking lot for the most part are union contractors. They cannot.

0:28:37.30 --> 0:28:37.150

Use.

0:28:37.870 --> 0:28:41.270

I'm using construction companies.

0:28:42.840 --> 0:28:56.480

So we decided that we're gonna the best approach is to split the project up and do the retaining wall project separately from the rest of the project.

0:28:57.140 --> 0:29:1.620

And so that's the other step that we'll be taking here in the next few weeks.

0:29:3.640 --> 0:29:7.0

Will still comply with all the well.

0:29:7.120 --> 0:29:18.600

I mean, there are some other phases of it that are phases of it that will not be with the same contractor, like the electrical or putting them right.

0:29:20.0 --> 0:29:21.480

Not so this is not.

0:29:23.70 --> 0:29:25.590

One off. It's not. Yes, it's not any so.

0:29:26.70 --> 0:29:27.310

Yes, that's what I wanted to say.

0:29:30.580 --> 0:29:35.220

Yeah, 'cause, the one guy's not working up the other guy.

0:29:35.220 --> 0:29:35.860

Just exactly.

0:29:36.100 --> 0:29:38.860

That's the other thesis as well is typically.

0:29:42.230 --> 0:29:42.830

Manage that.

0:29:44.750 --> 0:29:45.390

We've been doing so far.

0:29:47.350 --> 0:29:50.190
Yeah. So where's the building split package? Is that in?
0:29:51.350 --> 0:29:53.830
That's or.
0:29:52.390 --> 0:29:54.350
I'm taking verify person.
0:29:54.350 --> 0:29:55.70
Taken care of, OK.
0:29:56.220 --> 0:29:58.340
One quoting and then waiting on another quote right now.
0:29:59.360 --> 0:30:0.440
We talk afterwards.
0:30:2.520 --> 0:30:3.320
Engine.
0:30:3.580 --> 0:30:5.340
Help me then you should buy a.
0:30:5.580 --> 0:30:6.580
Buy a model of a magazine.
0:30:9.590 --> 0:30:9.950
OK.
0:30:13.470 --> 0:30:13.950
OK.
0:30:14.540 --> 0:30:17.260
Moving on, Brandy's here tonight.
0:30:17.260 --> 0:30:18.300
I brought her in.
0:30:18.340 --> 0:30:27.60
She wants to take the back room and make it so over historical late for people can come in and see different things on the wall.
0:30:27.100 --> 0:30:29.180
Pictures of the community and go that direction.
0:30:29.570 --> 0:30:30.490
Which backroom?
0:30:32.0 --> 0:30:34.800
The utility room, big room, big room. OK, let her.
0:30:36.480 --> 0:30:39.400
It's kind of a little more than that.
0:30:39.400 --> 0:30:50.80
It's about establishing like a Hamilton archives. Like I grew up in Hamilton. I've moved away and I came back and in general, there just seems to be stuff everywhere.
0:30:50.830 --> 0:30:52.790
Like the school has stuff. Rose Bros.
0:30:52.790 --> 0:30:54.790
Cold Springs private residence.
0:30:55.630 --> 0:30:57.670
A lot of stuff is just in people's heads.
0:30:57.670 --> 0:30:59.550
It's not even actual items.
0:30:59.550 --> 0:31:4.510
It's stories people know. Like when I moved to Ball Lake, I can't find anything.
0:31:5.60 --> 0:31:6.60
Other than what?
0:31:6.500 --> 0:31:8.700
My neighbor tells me so.
0:31:8.700 --> 0:31:16.540
The concept is to kind of start an official organization. That is the Hamilton archives, where we can gather and centralized everything.

0:31:17.100 --> 0:31:20.860

I just mentioned the backroom to Brent 'cause. I don't know a better option.

0:31:21.510 --> 0:31:24.950

But I know we have lots of events back there, so it would have high visibility.

0:31:26.510 --> 0:31:34.110

I would be more than happy to volunteer my time to kind of establish it with the intent to maybe hand it over to an organization.

0:31:34.380 --> 0:31:38.460

And like Syro or somebody that would become like the keepers of it moving forward.

0:31:39.990 --> 0:31:52.150

You know potentially have docents that are educated in the items that you know, once a month we could open it to the public or something just so everything people could come see everything.

0:31:52.150 --> 0:31:53.30

Hamilton, yeah.

0:31:52.940 --> 0:31:55.380

Yep, all in one place, yes. Yeah.

0:31:57.610 --> 0:31:58.730

I like that idea.

0:32:1.60 --> 0:32:1.940

I mean, it could be.

0:32:1.410 --> 0:32:2.730

We've talked about it before.

0:32:2.730 --> 0:32:6.690

It's never had anyone that wanted to spearhead it and make it go.

0:32:6.690 --> 0:32:11.10

With the genealogy in Auburn, a genealogy center, would that have some?

0:32:11.960 --> 0:32:12.920

Information.

0:32:12.770 --> 0:32:13.370

As well.

0:32:13.410 --> 0:32:14.530

Yeah, the Watkins family.

0:32:14.530 --> 0:32:17.850

There's 33 ring binders that Jan's got back now.

0:32:18.920 --> 0:32:20.120

That has a lot of information on it.

0:32:20.120 --> 0:32:21.40

I put some of that up.

0:32:21.320 --> 0:32:29.320

We actually have a case that we had some pictures of burials of the Indian Trails in that inside of that for a while it's sent out here on the table.

0:32:30.280 --> 0:32:38.360

Yeah. So to that point, I don't know anything about like the cost, because I've no idea what the scope would be of the stuff we would get.

0:32:39.830 --> 0:32:44.310

The only thing I can think initially is potentially maybe building 2 closets in that room.

0:32:44.310 --> 0:32:47.590

One so like the tables and stuff could get put away.

0:32:48.190 --> 0:32:53.510

It would look a little bit nicer and then maybe one closet or anything we didn't want to display, but we had.

0:32:54.670 --> 0:32:55.310

To keep.

0:32:54.990 --> 0:33:0.270

To keep and then it would really just be whatever the cost of like frames or display case.

0:33:0.580 --> 0:33:4.780

My friend said would be the costs associated.

0:33:4.580 --> 0:33:5.60

And does.

0:33:5.20 --> 0:33:6.860
Might not even be a bad place for her.
0:33:7.740 --> 0:33:9.100
People have access to it.
0:33:10.160 --> 0:33:10.520
Yeah.
0:33:11.470 --> 0:33:16.830
I like that idea and and those costs can be pretty minimal. I mean that's.
0:33:17.120 --> 0:33:18.360
I'll work with Brandy on.
0:33:18.480 --> 0:33:22.440
Yeah, that's my idea to get some more people involved with her contacts.
0:33:23.0 --> 0:33:25.720
She can go that direction. See what we come up with.
0:33:25.720 --> 0:33:27.440
Yeah. Awesome.
0:33:27.560 --> 0:33:28.120
Yeah. Thank you.
0:33:28.280 --> 0:33:29.80
Really good idea.
0:33:31.550 --> 0:33:37.590
I hope the other thing I have started taking up a lot of time, but I just the analogy strategically.
0:33:39.670 --> 0:33:45.710
That much for no others have some Peace of Mind. Contact with. Go ahead and go through with it.
0:33:47.600 --> 0:33:48.120
Two months ago.
0:33:48.30 --> 0:33:48.950
Please dissipate.
0:33:50.750 --> 0:33:51.110
Process.
0:33:53.550 --> 0:33:56.710
Start off with it as a generalization. At that time, if I.
0:33:56.710 --> 0:33:57.870
Get people to do it.
0:33:59.190 --> 0:34:2.750
It's the real things. I'll get back. If they'll they'll help us last time.
0:34:4.760 --> 0:34:5.640
I'll be a part of it.
0:34:5.640 --> 0:34:8.40
I was part of it before I was.
0:34:10.260 --> 0:34:12.300
I mean, that's not a problem, but Asia, at least for now.
0:34:15.940 --> 0:34:16.300
Yeah.
0:34:25.310 --> 0:34:26.750
I have put the name of a lesson.
0:34:29.320 --> 0:34:29.960
Strategic plan.
0:34:31.860 --> 0:34:35.860
Last time around there was a lot of things in there that we had like the bathroom sink beach.
0:34:37.780 --> 0:34:39.380
It's quite a few of them.
0:34:40.60 --> 0:34:40.340
Yeah.
0:34:40.340 --> 0:34:42.220
There's a lot of things that were.
0:34:43.340 --> 0:34:46.740
Beach improvements for ancient relocation lane 150.

0:34:48.230 --> 0:35:1.390

We're still working on still on the Bike Trail committee. If the trail to Angola into the main fobaci trail, which is Wilson Pleasant angle down through Pleasant Lake all the way to Waterloo.

0:35:4.950 --> 0:35:13.470

Development of Community Volunteer Corps working on another one at this point for the Lady Garden Club team and that at that point in time they've done a beautiful job.

0:35:13.470 --> 0:35:19.550

We can't answer anything better at that time, so it's a lot of little things that we can put together that we can help.

0:35:20.470 --> 0:35:20.830

Unify the.

0:35:21.190 --> 0:35:22.470

Community or make people together.

0:35:22.470 --> 0:35:24.510

Where do we can we find that buffer?

0:35:29.250 --> 0:35:30.730

Work out commissioned I can get 2.

0:35:32.470 --> 0:35:33.230

Let's read it.

0:35:32.520 --> 0:35:33.480

There's a list on the back.

0:35:33.480 --> 0:35:35.200

That's everybody. That was part of it.

0:35:40.170 --> 0:35:47.850

Need to complement the town's helped with the drafting of the very first one, and I've done three others.

0:35:47.850 --> 0:35:54.130

And you are the only community that's followed through with any piece.

0:35:55.480 --> 0:35:56.640

Of their strategic plan, really.

0:35:58.170 --> 0:35:58.530

What do you?

0:35:58.360 --> 0:36:0.520

Here to solve a big pattern of that because.

0:36:2.760 --> 0:36:9.360

It's really a big accomplishment when you establish one of those and actually right.

0:36:10.70 --> 0:36:10.990

Get them completed.

0:36:17.930 --> 0:36:20.210

If there's anybody that you know that might want to.

0:36:21.660 --> 0:36:27.420

Once the first couple months gets to get some ideas and thoughts and things around like you did the last time.

0:36:29.30 --> 0:36:29.470

You relied.

0:36:29.470 --> 0:36:30.30

Bring it down into.

0:36:33.70 --> 0:36:34.350

It might be a good thing.

0:36:34.350 --> 0:36:38.430

Do we still have a list of the Hoa's in town?

0:36:39.920 --> 0:36:50.520

Sending it to each one of those and having like Donna would send ours out and she just said the whole hit, our whole group.

0:36:50.760 --> 0:36:55.440

I mean, we could do that throughout the town and that would just be another way to.

0:36:56.600 --> 0:37:1.960

Get the word out there for the people that aren't necessarily here year round but still wanna have a voice.

0:37:3.820 --> 0:37:7.820
Now we have it set up in here we can actually teams meeting anybody.
0:37:8.460 --> 0:37:9.20
That's out there.
0:37:9.600 --> 0:37:10.840
Still participate either.
0:37:14.190 --> 0:37:15.990
Have a suggestion? Get the toboggan back.
0:37:14.580 --> 0:37:14.700
Yep.
0:37:16.610 --> 0:37:16.770
OK.
0:37:22.130 --> 0:37:24.770
This isn't the same thing as that.
0:37:25.730 --> 0:37:28.410
No, this is just this was.
0:37:29.310 --> 0:37:29.630
Glen.
0:37:34.750 --> 0:37:36.70
All I have for mine.
0:37:36.970 --> 0:37:37.130
OK.
0:37:37.730 --> 0:37:38.850
The water department.
0:37:39.690 --> 0:37:41.130
Everything's going well there.
0:37:42.830 --> 0:37:43.710
'S doing a great job.
0:37:46.660 --> 0:37:48.460
Our water was half percentage.
0:37:48.460 --> 0:37:59.580
Your loss was up a little bit as well as one of my mistakes, but it was only because we still had that one day
we finally got fixed a little more better coming off.
0:38:2.70 --> 0:38:4.270
We had largest water use.
0:38:5.790 --> 0:38:6.350
One month.
0:38:8.740 --> 0:38:12.700
One weekend this last weekend and we've had quite a lot.
0:38:13.100 --> 0:38:13.980
But or is that was under?
0:38:13.980 --> 0:38:15.180
My house under here.
0:38:14.990 --> 0:38:15.230
Your.
0:38:17.230 --> 0:38:17.390
Yes.
0:38:19.150 --> 0:38:19.310
Good.
0:38:22.850 --> 0:38:23.10
Yeah.
0:38:23.20 --> 0:38:25.180
They had quite a few.
0:38:25.900 --> 0:38:27.660
When we have that many people in town, that's.
0:38:28.500 --> 0:38:29.660
What we had over weekend.

0:38:31.210 --> 0:38:33.850
Did it affect the water towers at all?
0:38:35.0 --> 0:38:35.840
Like yeah, when they.
0:38:35.840 --> 0:38:39.320
When they pumped a lot into the winter time, a lot of turnover in the winter.
0:38:39.360 --> 0:38:40.200
Time, which is good, yeah.
0:38:42.110 --> 0:38:42.390
OK.
0:38:46.720 --> 0:38:47.920
Treat the Parliament report.
0:38:51.390 --> 0:38:51.510
Now.
0:38:57.280 --> 0:38:57.840
Having a little.
0:38:57.840 --> 0:39:0.560
Bit of trouble with the beach again.
0:39:0.560 --> 0:39:1.80
I should be back.
0:39:4.60 --> 0:39:9.860
All like in terms of free jobs, people in downtown Dubuque, which is not the final.
0:39:11.90 --> 0:39:12.50
In that position.
0:39:15.220 --> 0:39:16.340
When we've had.
0:39:17.560 --> 0:39:18.760
Consuming be the DNR.
0:39:20.870 --> 0:39:23.510
Can we do some more RIP rap underneath the boardwalk?
0:39:23.510 --> 0:39:24.350
There discuss with.
0:39:24.670 --> 0:39:25.150
That OK.
0:39:25.150 --> 0:39:26.710
I thought we had talked about that.
0:39:26.710 --> 0:39:28.590
Just weren't sure where that.
0:39:28.630 --> 0:39:35.110
They were discussing at the state higher responsibility was paid for it, so I usually.
0:39:35.230 --> 0:39:36.270
Take three to four months.
0:39:41.140 --> 0:39:41.420
Shut up.
0:39:42.500 --> 0:39:45.260
Jeremy Corbyn engineers said it needed to be done.
0:39:45.660 --> 0:39:48.460
Idemp was well and tune was getting it done.
0:39:49.220 --> 0:39:50.180
Just a matter of.
0:39:50.180 --> 0:39:50.940
Them coming in.
0:39:51.60 --> 0:39:53.780
Giving us the OK, I told them they brought it.
0:39:53.780 --> 0:39:55.20
We'd get it over the edge.

0:39:56.510 --> 0:40:4.230

Come into that area as long as they were confident how a little more rolled into the lake than what we have learned.

0:39:57.800 --> 0:39:58.40

OK.

0:40:4.230 --> 0:40:5.350

Very little room to work with.

0:40:6.590 --> 0:40:7.590

Yeah, since we have a.

0:40:7.590 --> 0:40:8.590

Boardwalk in the way now.

0:40:10.430 --> 0:40:10.590

OK.

0:40:11.310 --> 0:40:12.190

But we don't do something.

0:40:12.190 --> 0:40:12.830

We won't outboard.

0:40:14.600 --> 0:40:14.920

Yeah.

0:40:17.540 --> 0:40:30.540

Jenna did Mark talk to you about putting something on Facebook about the issues they're having out there with plastic bags and plastic stuff at the, but maybe Mark needs to talk.

0:40:31.470 --> 0:40:32.230

To if he wants.

0:40:34.850 --> 0:40:41.690

You know, if we're having issues, is it just a signage issue out there or does he need to put something on?

0:40:42.460 --> 0:40:45.780

Facebook on some Backpage where he's talking about when they bring their.

0:40:45.880 --> 0:40:50.400

Waste out and they're just dumping that plastic bags, plastic containers.

0:40:52.700 --> 0:40:56.220

Or do we just need to put a trash container up there?

0:40:56.220 --> 0:41:1.140

I think we need to put another sign up and maybe put a parallel to it.

0:41:2.590 --> 0:41:3.550

Dumpsters right there.

0:41:3.550 --> 0:41:4.870

I mean, it's only 25 feet away from.

0:41:6.460 --> 0:41:10.620

Yeah, people aren't gonna put something in a dumpster, though. 'cause. They'll think that they'll get in trouble.

0:41:10.560 --> 0:41:10.840

Double.

0:41:12.310 --> 0:41:15.270

Every look at putting a plastic belt here within the first half of that.

0:41:14.80 --> 0:41:14.520

Ready.

0:41:17.150 --> 0:41:18.230

Put a sign up, put a sign up.

0:41:18.230 --> 0:41:20.30

Yeah, I think it could be a.

0:41:20.260 --> 0:41:21.20

Councillors that?

0:41:23.470 --> 0:41:27.430

And put a little reminder on Facebook. Might be a on our page.

0:41:27.430 --> 0:41:28.310

Might not be a bad idea.

0:41:36.370 --> 0:41:36.970
Anything else?
0:41:38.510 --> 0:41:38.750
Report.
0:41:40.340 --> 0:41:42.100
Did not have one of my packet footage.
0:41:42.820 --> 0:41:43.940
You have no spree so.
0:41:49.950 --> 0:41:52.70
E-mail dot dot net can you sign out?
0:41:59.750 --> 0:42:4.230
Everything's going to be taken through.
0:41:59.780 --> 0:41:59.940
Move.
0:42:5.770 --> 0:42:7.730
Mexican restaurant. So we're good there.
0:42:8.50 --> 0:42:10.530
We did or did not. OK. I was like what?
0:42:12.470 --> 0:42:15.630
Did write a few tickets for parking violations at that point.
0:42:12.580 --> 0:42:12.900
Are we?
0:42:17.300 --> 0:42:19.260
If everything's calm down, everybody's understanding.
0:42:18.0 --> 0:42:18.520
Daughter.
0:42:23.850 --> 0:42:24.130
Yes.
0:42:26.880 --> 0:42:27.480
OK.
0:42:31.690 --> 0:42:33.10
The EDC contract.
0:42:36.350 --> 0:42:39.710
I was requesting the \$9000.
0:42:41.110 --> 0:42:42.110
We don't it in our package.
0:42:42.580 --> 0:42:47.300
Those all stapled together and there's nothing to sign. It's just it was requested.
0:42:47.360 --> 0:42:48.440
9000 yeah.
0:42:48.970 --> 0:42:49.850
And that's what we've been.
0:42:49.850 --> 0:42:53.890
Doing in the past 24, 2020, 509,000, OK.
0:42:56.190 --> 0:43:0.310
We're searching over 26 for 2026 funding requests.
0:42:59.660 --> 0:43:0.940
For next year, Yep.
0:43:1.980 --> 0:43:3.460
We discussed that during budget.
0:43:4.160 --> 0:43:4.720
It's in the.
0:43:4.800 --> 0:43:9.560
I know it's in the budget, so we have a motion to approve the Steuben County EDC contract.
0:43:12.70 --> 0:43:14.830
We've got a first, we have a second and a second.
0:43:14.830 --> 0:43:17.190
All those in favor say aye opposed.

0:43:22.40 --> 0:43:23.360
Whittingham agency.
0:43:25.820 --> 0:43:28.220
OK, budget guards.
0:43:28.500 --> 0:43:29.580
Yep. So I had a thought.
0:43:29.580 --> 0:43:33.540
My documents online and they will.
0:43:33.540 --> 0:43:40.860
The first one will be on August 4th, showing our normal meeting and then the second one will be October 6th.
0:43:45.220 --> 0:43:45.380
OK.
0:43:48.350 --> 0:43:52.590
And then did we? Is this a different water truck, OK.
0:43:54.620 --> 0:43:55.940
And the improvement team?
0:43:57.220 --> 0:44:0.820
You can take it on, yeah.
0:44:0.820 --> 0:44:2.700
So we don't as long as we don't need it, OK.
0:44:10.990 --> 0:44:23.390
Spoke with Jeremy last week, of course, after we had everything done with door that you could imagine and we're putting it out, he now comes back with, hey, what about this, this and this? And I'm like, where have you been in this whole process?
0:44:24.820 --> 0:44:25.140
Of.
0:44:25.760 --> 0:44:42.590
The first thing that we need to do is put in our fee schedule like our other ordinances, he would like to start it at \$100, but we need to put it in. The ordinance is what he was saying because there is nothing in the ordinance that.
0:44:28.670 --> 0:44:28.750
Uh.
0:44:42.590 --> 0:44:42.840
Says that.
0:44:43.630 --> 0:44:49.870
So he would also they would also like to do a graduated scale. So the first offense is \$100 second offense.
0:44:49.870 --> 0:44:52.830
So we need to is it?
0:44:52.830 --> 0:44:54.390
Is that how the other scales go?
0:44:54.940 --> 0:44:55.100
OK.
0:44:55.580 --> 0:44:57.740
So we just want to keep everything consistent.
0:44:57.710 --> 0:45:2.470
I guess that all of our ordinances that have violations all for.
0:45:1.840 --> 0:45:2.0
I'm.
0:45:2.640 --> 0:45:4.600
Underneath the same ordinance.
0:45:5.380 --> 0:45:5.540
OK.
0:45:5.540 --> 0:45:7.620
So we don't have to put this in our separate.
0:45:7.640 --> 0:45:9.840
You just have to put in their clothes underneath the ordinance.

0:45:9.840 --> 0:45:10.600
Violation.
0:45:10.920 --> 0:45:11.480
Fees.
0:45:11.520 --> 0:45:14.160
Then let's we we need to add that.
0:45:14.280 --> 0:45:15.320
Assume that was part of it.
0:45:15.320 --> 0:45:21.760
So these are the fines if for any violation and that is how much the first offense is going to.
0:45:21.760 --> 0:45:22.480
Be \$100.
0:45:23.580 --> 0:45:28.580
So that's why when they walk outside the area, they know again we we talked about this.
0:45:28.580 --> 0:45:38.20
He said it's there's gonna be a learning curve. You know, if somebody accidentally walks the wrong way and they have their cup in their hand and they're outside in the map area.
0:45:38.750 --> 0:45:39.510
And they have.
0:45:40.110 --> 0:45:41.430
They happen to get caught.
0:45:41.630 --> 0:45:42.350
Jeremy's gonna be.
0:45:42.350 --> 0:45:45.430
Like poured out, just poured out. Don't you know?
0:45:45.490 --> 0:45:47.10
Here's here's the area.
0:45:47.190 --> 0:45:47.910
To be staying in.
0:45:48.630 --> 0:45:50.190
So they're they're going to be.
0:45:50.510 --> 0:45:55.750
It's we're going to educate before they start whacking people with fines and tickets.
0:45:56.590 --> 0:45:57.110
It's like.
0:45:57.150 --> 0:46:1.830
It's just like going back 1314. How many, how long we've had golf cart.
0:46:2.90 --> 0:46:2.450
Just.
0:46:3.510 --> 0:46:9.630
We we got to educate first. So we're going to educate, educate, educate, remind people where the the area is.
0:46:9.950 --> 0:46:12.270
It's Friday, Saturday, Sunday only.
0:46:12.510 --> 0:46:15.270
You know, we'll keep educating the the vendors.
0:46:16.90 --> 0:46:20.890
On they can only sell the cups on Friday, Saturday, Sunday, so people don't.
0:46:22.420 --> 0:46:27.20
Have the impression that, oh, I bought it on Tuesday. I should be able to walk around town with it on Tuesday.
0:46:27.300 --> 0:46:28.380
That's not the case.
0:46:29.100 --> 0:46:35.60
So we're going to. So we'll just put in there. That followed our regular ordinance fee schedule.
0:46:37.110 --> 0:46:39.70
You said something about sections.

0:46:40.950 --> 0:46:41.270
7 and 10.
0:46:43.30 --> 0:46:48.590
10/7 The Planning Department shall oversee the signing branding.
0:46:48.790 --> 0:46:51.590
His question with that was it talked about.
0:46:51.980 --> 0:46:53.380
Adora logo.
0:46:54.910 --> 0:46:55.70
That.
0:46:55.820 --> 0:46:56.980
Could be affixed.
0:46:57.380 --> 0:47:1.420
And I said we don't have any stickers. We have a logo.
0:47:1.220 --> 0:47:1.820
Hello it's.
0:47:1.740 --> 0:47:4.300
On a pre printed cup, I said.
0:47:4.300 --> 0:47:7.740
We're not going to have, well, what happens if somebody makes that, I said.
0:47:7.740 --> 0:47:10.100
You'll be able to tell. I mean there will.
0:47:10.380 --> 0:47:12.460
So we've talked about the fact that there will be.
0:47:14.420 --> 0:47:18.940
Separate logos. We've got 1 logo that's pre printed on a cup.
0:47:18.940 --> 0:47:19.620
There will be.
0:47:19.620 --> 0:47:21.500
We will not be doing any kind of.
0:47:23.310 --> 0:47:26.870
Stickers. We're not going to make any changes. We're going to keep the same kind of cup.
0:47:26.870 --> 0:47:28.750
We're not going to have multiple cups.
0:47:29.390 --> 0:47:37.950
It's going to be the same silver stain aluminum that we've got and it says door on it. It's got all the information.
0:47:39.230 --> 0:47:41.590
That's it. Other than it says, sponsored by SDI.
0:47:42.140 --> 0:47:43.580
Because SBI sponsored this.
0:47:43.580 --> 0:47:44.940
Do you have a sample of that?
0:47:46.470 --> 0:47:50.470
I may have given them all the way, but Brent may have one. I didn't give them what?
0:47:50.470 --> 0:47:50.990
Excuse me.
0:47:51.30 --> 0:47:53.870
I gave them to the vendors to sell, yes.
0:47:53.870 --> 0:47:57.750
So you buy one at one particular time and you have it.
0:47:57.970 --> 0:47:58.650
You can.
0:47:58.310 --> 0:48:4.630
Keep it you can reuse it. You can use it as much as you want if you throw it away and you want another one.
0:48:5.510 --> 0:48:6.710
You're gonna charge you a dollar for.

0:48:7.390 --> 0:48:7.790
It and what?
0:48:7.790 --> 0:48:10.870
That is a charge. There is a charge.
0:48:11.300 --> 0:48:13.460
In the reasoning behind that is.
0:48:14.500 --> 0:48:21.460
Then that money will go back to buy more additional cups because SDI is not going to do this forever and never and ever.
0:48:21.620 --> 0:48:25.340
So when you said you can't do last week.
0:48:25.340 --> 0:48:26.940
But you can't, obviously.
0:48:27.420 --> 0:48:29.100
If I buy it one weekend.
0:48:29.200 --> 0:48:31.80
You could read yourself.
0:48:30.110 --> 0:48:31.550
You'll never see it again.
0:48:33.830 --> 0:48:36.110
Good for next year, got it.
0:48:36.110 --> 0:48:39.630
Yeah. So there's no expiration date on those. I can see that.
0:48:40.70 --> 0:48:42.350
Yeah, there's no, it doesn't expire.
0:48:40.430 --> 0:48:40.590
Open.
0:48:41.460 --> 0:48:41.860
Double.
0:48:42.350 --> 0:48:43.110
It doesn't.
0:48:43.190 --> 0:48:45.270
You know, it's not just for 2025.
0:48:45.270 --> 0:48:48.670
It's gonna be good for 2026 or however long we have this.
0:48:50.190 --> 0:48:54.430
So that design, and I've assured him that is not changing.
0:48:57.310 --> 0:49:4.830
Because we don't want to have multiple versions out there because then people will start hijacking it and changing.
0:49:4.830 --> 0:49:6.110
You know, we don't want that.
0:49:6.110 --> 0:49:6.670
We don't.
0:49:6.830 --> 0:49:11.710
And again, the reason for the the charges were small communities.
0:49:12.670 --> 0:49:16.110
And SDI donated the first how many ever cups we got?
0:49:17.950 --> 0:49:20.950
And so this is just a replenish when we need more.
0:49:21.700 --> 0:49:27.900
So the one thing we are going to need to be concerned about.
0:49:23.10 --> 0:49:23.90
Uh.
0:49:29.290 --> 0:49:38.90
Is the map includes our town parking lots and we have a no alcohol ordinance on properties.
0:49:40.710 --> 0:49:42.470
Of town promises. I thought it said.

0:49:42.470 --> 0:49:44.590
Like in buildings.
0:49:44.630 --> 0:49:47.190
So it's not just OK, I'm not.
0:49:47.190 --> 0:49:49.110
I don't know this specific language.
0:49:49.790 --> 0:49:50.270
Also at.
0:49:50.270 --> 0:49:50.390
The.
0:49:50.390 --> 0:49:53.230
Time. Yeah. So it doesn't affect any of our parks.
0:49:53.350 --> 0:49:53.910
I just.
0:49:54.110 --> 0:49:56.950
I'm asking 'cause I don't know the Derek.
0:49:56.950 --> 0:49:58.950
Do you know the specific language on that?
0:49:59.340 --> 0:50:0.780
Write it down and take a look at it.
0:50:0.820 --> 0:50:1.340
OK.
0:50:1.700 --> 0:50:5.420
Yeah, 'cause. I was like, oh, Jeremy, I I mean.
0:50:6.20 --> 0:50:10.460
And then I said, what about what we've been doing in the past, like the first summer festival?
0:50:12.890 --> 0:50:15.210
And he goes well. I guess that was a one time event.
0:50:15.300 --> 0:50:20.260
Thing and I said, well, so if you're going to look into that, Derrick, that's.
0:50:21.40 --> 0:50:21.320
Yeah.
0:50:21.660 --> 0:50:23.420
I'll make sure, Derek.
0:50:24.180 --> 0:50:24.500
OK.
0:50:27.190 --> 0:50:28.910
Because if you.
0:50:30.940 --> 0:50:31.900
You have the talent.
0:50:32.590 --> 0:50:33.270
You don't need.
0:50:33.60 --> 0:50:33.780
You don't need that.
0:50:33.590 --> 0:50:34.630
Fenced in, we.
0:50:34.630 --> 0:50:42.390
Do not need the fenced in area now because we have the door clubs that what we'll do is we'll sell the alcohol and pour it into the cups and then they walk away.
0:50:44.310 --> 0:50:48.630
So and that was, that's the Chamber that we're talking and the Chamber is doing the door bugs, not the town.
0:50:48.870 --> 0:50:53.750
This is it's a chamber town coordinated project.
0:50:54.460 --> 0:50:57.660
You're doing it through. Will through the Chamber, correct?
0:50:58.460 --> 0:50:59.500
Yes, will.

0:50:59.500 --> 0:51:4.300
Will it when we go to when the Chamber gets their temporary permit for?
0:51:4.330 --> 0:51:5.970
For the summer, festival will.
0:51:5.980 --> 0:51:8.580
Our sponsor, like he has been for the last.
0:51:10.30 --> 0:51:11.550
Dozen years or however long it's been.
0:51:14.420 --> 0:51:14.540
Umm.
0:51:16.190 --> 0:51:20.990
Then the only other thing is it's in the ordinance. It says something about.
0:51:22.990 --> 0:51:27.230
Not within 200 feet of a church school, so.
0:51:29.590 --> 0:51:30.270
Churches.
0:51:30.800 --> 0:51:31.240
OK.
0:51:31.320 --> 0:51:36.560
I because I told Jeremy, I said. I know we have rents already handled this. OK, that's will you.
0:51:36.600 --> 0:51:38.40
Letters and sign off from both the.
0:51:38.40 --> 0:51:40.640
Truth. OK, that's. I couldn't remember what it was.
0:51:39.570 --> 0:51:41.410
Percentage of.
0:51:43.590 --> 0:51:44.950
The application that site.
0:51:45.470 --> 0:51:47.110
OK. That's. I knew there was.
0:51:47.710 --> 0:51:48.350
How we got to?
0:51:48.350 --> 0:51:50.630
I don't want to say got around it, but OK.
0:51:52.940 --> 0:51:53.340
Thank you.
0:51:53.340 --> 0:51:55.100
Yes, that'll work much better.
0:51:56.410 --> 0:51:56.730
OK.
0:51:56.730 --> 0:51:59.690
So we don't need to change anything in the ordinance, which is great.
0:52:0.10 --> 0:52:1.370
We already have a fee schedule.
0:52:1.370 --> 0:52:7.570
We just need to include door up in that and you're going to check on parking lots for that.
0:52:9.60 --> 0:52:9.380
So OK.
0:52:11.810 --> 0:52:14.690
I was there to leave before we came out.
0:52:14.690 --> 0:52:19.770
I mean, I saw it on Facebook, but is there paperwork that explains all this? The Dora?
0:52:21.890 --> 0:52:22.930
Yeah, I don't have it.
0:52:22.970 --> 0:52:25.410
I don't have Facebook and I have no clue what that means.
0:52:25.410 --> 0:52:27.410
I mean, do you have a pamphlet or something to?

0:52:27.410 --> 0:52:32.370
Make that well and I will tell you each business will have.
0:52:33.60 --> 0:52:35.900
That in their window and it will explain what it is.
0:52:35.900 --> 0:52:41.180
It'll also have the map what you can and can't do, so it will be on.
0:52:41.490 --> 0:52:45.10
All of their doors. So like Lakers, have two entries.
0:52:45.210 --> 0:52:46.650
One will be on each door.
0:52:46.770 --> 0:52:51.930
Howie's I think I had to give them four because they have so many doors, same thing will.
0:52:52.60 --> 0:52:53.860
He got 2 because he's got 2 doors.
0:52:55.390 --> 0:52:55.750
Rose Bros.
0:52:55.750 --> 0:52:56.590
Will have two as well.
0:52:58.230 --> 0:53:5.350
So before you even walked in, it'll say they're a participant and it'll have the do's and don'ts and the map and all that.
0:53:5.550 --> 0:53:7.430
But yes, you can get a copy of it.
0:53:9.110 --> 0:53:12.70
I'm assuming Sarah's got him out at her desk.
0:53:12.70 --> 0:53:14.910
OK, if you want to stop out during the week.
0:53:16.910 --> 0:53:19.590
On the town website, because people can access that. Yep.
0:53:19.860 --> 0:53:21.100
It's on the website as well.
0:53:21.140 --> 0:53:22.340
Yeah, put ordinances too.
0:53:22.200 --> 0:53:24.920
Yeah, yeah. We put the ordinance on there, yeah.
0:53:24.920 --> 0:53:34.280
And if the ordinance is on there, so that's got all the specific language for the state 'cause this had this all had to go through the state to get approved.
0:53:36.20 --> 0:53:46.340
And then each vendor had to get approved through the state and to provide, you know, their liability insurance for our insurance company.
0:53:47.70 --> 0:53:48.590
The town's not liable.
0:53:48.590 --> 0:53:52.750
It's the vendors who are liable if they sell.
0:53:54.270 --> 0:53:55.430
On a non Friday Saturday, Sunday.
0:53:56.820 --> 0:53:58.100
That kind of thing, it's not.
0:53:58.220 --> 0:53:59.620
It's not gonna be on the town.
0:53:59.660 --> 0:54:2.540
Well, it also gonna be on the individual who is doing so.
0:54:3.540 --> 0:54:6.740
So that's why there's a lot of education that's gonna continue.
0:54:6.740 --> 0:54:10.500
Yeah. So because if this is gonna work properly.

0:54:11.870 --> 0:54:19.510

You gotta educate so and then people that will do silly things are probably the same people that do silly things now. So.

0:54:22.750 --> 0:54:27.750

Temporary volunteer or temporary vendors? Do we have other applications on our website?

0:54:28.930 --> 0:54:29.570

Not yet.

0:54:29.570 --> 0:54:40.290

Because not until you when the Chamber goes, we will apply for ours in the first part of August for our one time event on the 23rd.

0:54:40.290 --> 0:54:44.10

So asking if you have, if the Chamber has an event.

0:54:44.700 --> 0:54:45.420

For a weekend.

0:54:45.720 --> 0:54:49.560

Take some chains that town's website as we have.

0:54:45.740 --> 0:54:46.380

No, I'm saying.

0:54:49.560 --> 0:55:0.680

They're going to have to call in and ask for them so that we know what's going on and what days and times are going to be here. Most generally, it was set up for the temporaries, was during the Summerfest.

0:55:1.790 --> 0:55:6.710

The Christmas Type Deal and that we're trying to keep it limited to those times.

0:55:6.710 --> 0:55:8.430

At least that's what I understood from the Council.

0:55:9.170 --> 0:55:11.250

Somebody wants to come in and be a temporary vendor.

0:55:11.250 --> 0:55:12.930

They actually have to go through the town.

0:55:13.450 --> 0:55:23.50

So when I when the I I the Chamber go, we get our temporary permit from the the ATC. Then I bring it to Brent.

0:55:23.50 --> 0:55:27.330

Brent will send it to the state for their approval once they approve it.

0:55:28.100 --> 0:55:28.940

Then we can sell.

0:55:29.340 --> 0:55:35.620

So if anybody wants to be a temporary vendor, they have to come through the town to do it and go through.

0:55:35.660 --> 0:55:38.580

It easy for that person to get that application.

0:55:39.50 --> 0:55:40.450

Yeah, yeah.

0:55:42.250 --> 0:55:43.370

Yeah, it's, it's.

0:55:43.450 --> 0:55:44.650

It's just has to come through.

0:55:44.650 --> 0:55:47.370

So we know who's getting it and have, like, the farmers.

0:55:47.370 --> 0:55:49.410

Market. So set up a little pop up.

0:55:52.120 --> 0:55:54.640

But it's it's a. It's a pretty easy form.

0:55:54.640 --> 0:55:58.360

I mean I when I gave them to Lakers and how he's, I mean they have.

0:55:58.680 --> 0:55:59.480

I think we already.

0:55:59.600 --> 0:56:6.360

I think I already filled one out for the Chamber, but I had to wait because I have to get a permit, so it's only a handful.

0:56:7.100 --> 0:56:11.380

Of questions really. They just want your permit numbers. The most important thing.

0:56:11.380 --> 0:56:16.660

Your state permit number on application for me to sign today to get the temporary permit.

0:56:14.350 --> 0:56:14.710

He.

0:56:16.980 --> 0:56:18.580

I think the temporary permit has to stay.

0:56:18.780 --> 0:56:20.220

It's only like for a day or two.

0:56:20.220 --> 0:56:21.420

Oh yeah, no, it's.

0:56:22.130 --> 0:56:23.410

A very specific time.

0:56:24.490 --> 0:56:25.130

So I mean.

0:56:24.560 --> 0:56:27.960

Sorry man. If they were gonna do it for like you said for the farmers.

0:56:28.0 --> 0:56:28.600

Market type now.

0:56:28.840 --> 0:56:30.280

It would have to be a weekly.

0:56:30.640 --> 0:56:32.600

Yeah, that process.

0:56:32.640 --> 0:56:34.600

And is that something we wanna do, OK.

0:56:35.80 --> 0:56:36.160

That's up to you folks.

0:56:37.120 --> 0:56:37.320

There.

0:56:37.320 --> 0:56:38.840

Comes a time I was gonna say.

0:56:37.450 --> 0:56:37.770

Did you?

0:56:39.630 --> 0:56:45.270

Just from talking with Karen Grimes is a Karen who's running it. I she's being pretty particular about.

0:56:47.470 --> 0:56:50.30

What kind of farmers market it's gonna stay?

0:56:50.190 --> 0:56:51.750

You know, we're not bringing food trucks in.

0:56:51.750 --> 0:56:53.230

We're not doing all kinds of.

0:56:53.230 --> 0:56:53.990

Let's just build.

0:56:54.500 --> 0:56:54.860

Build it up.

0:56:54.900 --> 0:57:3.300

Build up our local produce and bakery. You know bakery goods and some arts and crafts things.

0:57:4.380 --> 0:57:10.940

It would be farmers market related, not not like some of our summer festival vendors for arts and crafts.

0:57:11.20 --> 0:57:13.100

So we're just trying. She's trying to keep.

0:57:14.730 --> 0:57:14.810

It.

0:57:15.320 --> 0:57:22.720

I don't want to say just a true farmers market, but along those lines, so she wants to get established first without start.

0:57:22.800 --> 0:57:25.440

You know, you start bringing in different vendors like that.

0:57:25.480 --> 0:57:32.480

Then we start taking away from our downtown businesses as well. And that wasn't the purpose of the farmers market to take away.

0:57:27.100 --> 0:57:27.420

Are there?

0:57:36.620 --> 0:57:41.300

But yeah, I mean the the application process is simple. I mean it's it's.

0:57:42.130 --> 0:57:45.290

Not even a full pitch, because I think there's four different sections and.

0:57:45.770 --> 0:57:49.850

Two of them apply to each each one, and you sign down at the bottom.

0:57:52.80 --> 0:57:53.240

That they can get that here.

0:57:57.590 --> 0:58:2.710

Anything else we have any questions, concerns regarding ADA or any other items of business?

0:58:4.920 --> 0:58:6.150

Hate saying this but.

0:58:6.300 --> 0:58:9.140

What is the ordinance with fireworks, I mean?

0:58:9.620 --> 0:58:11.20

Week before week after.

0:58:11.420 --> 0:58:12.340

Till midnight.

0:58:13.370 --> 0:58:14.250

At midnight.

0:58:15.230 --> 0:58:15.590

July.

0:58:21.50 --> 0:58:25.450

Saturday night before through the Friday or Saturday night after the 4th of July.

0:58:21.430 --> 0:58:21.750

Read.

0:58:27.450 --> 0:58:28.650

So it's like a 2 vote period.

0:58:28.650 --> 0:58:28.690

I.

0:58:29.830 --> 0:58:30.350

I can get it.

0:58:30.90 --> 0:58:31.290

It complete.

0:58:31.410 --> 0:58:32.770

Ordinance and get it to you.

0:58:33.250 --> 0:58:38.930

Yeah. And it's like 5 to midnight every day that it's allowed other than the 4th, it's 10 AM.

0:58:42.280 --> 0:58:47.0

I mean, you know, it's just gotten crazy and it's not even funny.

0:58:47.0 --> 0:58:49.560

I mean, like fireworks with these bombs.

0:58:49.600 --> 0:59:1.280

I mean, they make their house. I mean, honest people think, I mean, until I'm getting old, I can get it up. But I mean, even my own family just thinks it's so ridiculous.

0:59:1.280 --> 0:59:2.0

It's they're just.

0:59:2.520 --> 0:59:2.880
Yeah.
0:59:2.870 --> 0:59:5.150
So that's the that's the I mean.
0:59:5.250 --> 0:59:6.690
The other night, it's June 15.
0:59:9.560 --> 0:59:11.400
Was that from the North End of the lake?
0:59:12.200 --> 0:59:12.440
By my.
0:59:12.600 --> 0:59:13.320
House OK.
0:59:14.0 --> 0:59:18.0
Now there was a dust map.
0:59:18.0 --> 0:59:20.360
That's when you might have a conversation with your neighbors.
0:59:21.850 --> 0:59:23.130
Or, depending on how far they are down.
0:59:25.150 --> 0:59:30.510
Police departments been trying to be at the locations since they can be there.
0:59:31.350 --> 0:59:35.670
Please don't type situations the first go round. Second, go around.
0:59:35.670 --> 0:59:36.550
I think they will probably.
0:59:36.550 --> 0:59:37.350
Get tickets.
0:59:38.150 --> 0:59:39.110
I I didn't call anybody.
0:59:39.110 --> 0:59:41.70
I you know, but I just like.
0:59:42.860 --> 0:59:44.580
It is considered noise ordinance.
0:59:46.330 --> 0:59:47.290
Even last night there was.
0:59:50.210 --> 0:59:53.210
No. So it's basically a two week time frame.
0:59:53.210 --> 0:59:55.170
Can we just follow the county?
0:59:56.970 --> 1:0:1.690
Not tell them to do it, but we have separate ones under the town.
1:0:1.850 --> 1:0:2.810
They probably mirror.
1:0:4.530 --> 1:0:5.170
Post them again.
1:0:5.520 --> 1:0:5.920
OK.
1:0:5.960 --> 1:0:7.0
That'd be great. Yeah.
1:0:8.260 --> 1:0:11.100
He went went Bellevue off tomorrow, got a granddaughter.
1:0:12.610 --> 1:0:12.690
Working.
1:0:13.200 --> 1:0:13.520
Yeah.
1:0:15.970 --> 1:0:16.690
Anything else?
1:0:18.250 --> 1:0:19.650
No. We have a motion to adjourn.

1:0:21.310 --> 1:0:25.510

Second, all those in favor say aye. Aye, opposed. Thank you.
